MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Director of Central Intelligence

1. Please pass to our economists that I checked with Dr. Brzezinski yesterday on the status of our summary report for the President on probable attitudes of the various nations to be represented at the Economic Summit. He indicated the President had glanced through it with considerable interest and specifically asked Dr. Brzezinski to package it up for his homework on his trip to London.

2. Good work.
